# ABOUT US

**South Pacific Homes is proud to be a local Papua New Guinea company owned by Curtain Bros. PNG and the Parkside Group.**

The Curtain Bros. name has been synonymous with Papua New Guinea since 1966. Originally starting in civil engineering and construction, Curtain Bros. are now the leaders in major infrastructure development including ports, bridge and dam construction and regional and remote roads across PNG. The company also has diverse interests in mining services, shipping, dockyards as well as retail and commercial development.

Parkside Group is a large diverse company based in Australia. Established in 1947, Parkside is a 4th generation privately owned company and is a leading player in saw milling, timber manufacturing, residential and commercial property development, home construction and retirement living industries.

The company has built over 15,000 homes and is a major land developer. The company is proud of its record in delivering great homes at an affordable price to suit a range of lifestyles and budgets.

The Curtain Bros and Parkside alliance is one of strength and stability and when you have been around as long as we have, you know you are in safe hands.
